

Front cultivator

Electric Machine Compatible

Front cultivator can be used for instance together with the horse arena harrow. Especially useful in a more compacted arena or an outdoor riding area. It is equipped with large tines which loosen the soil and make harrowing of the arena easier. Equipped with two wheels in the front.

- ✔ **Efficient and easy way to loosen compacted soil**
- ✔ **Equipped with replaceable tines**
- ✔ **Can be mounted on all Avants**

Width	1410 mm
