

Lawn mower 1500

Avant's biggest lawn mower is intended for professional lawn mowing also on larger areas. The mower can be modified to right type of mowing for different circumstances. Powerful mower allows a higher drive speed and perfect cut also on challenging conditions.

Optifloat® system allows large vertical movement of the cutting deck which guarantees efficient cutting as the deck follows the ground contours also on uneven terrains. Two indicator arrows on the quick attach plate make adjustment of the floating very easy: when the mower is on level surface and the arrows meet, Optifloat® is adjusted correctly. The floating system is also equipped with a safety valve, which stops the blades when the mower is lifted off the ground. The wheels are foam filled, puncture free rubber tyres.

- ✔ **Optifloat® floating system guarantees easy operation and good mowing result also on uneven lawns**
- ✔ **More cutting power for challenging mowing conditions**
- ✔ **Side discharge as standard, mulching kit available as an option**
- ✔ **Rounded edges → less damage to trees, buildings etc. in case of contact**
- ✔ **Puncture free, foam filled tires**
- ✔ **Fast and easy floating adjustment with indicator arrows on the Optifloat®**

Option:
Mulching kit (complete assembly kit) A34530

Cutting width	1500 mm
Blades	3 pcs
Cutting height	25 - 100 mm
Height	450 mm
Weight	285 kg
Product no	A37548
