

Multi function drive unit S30

The multi function drive unit equipped with the S30 quick attach bracket is intended mainly for rotating different types of brushes – XL weed brush, XL wire rope brush and carousel broom. It can be mounted in horizontal or vertical position on the side arms with S30 quick attach system (both mechanical and hydraulic arm), but not on the attachment coupling plate of the loader. The S30 drive unit has the same 57 mm square shaft for attachments as the A37190 Multi function drive unit, but is equipped with a lower torque and higher speed hydraulic motor and works therefore better with brushes. On the other hand it doesn't have enough power to rotate auger drills or screw cone log splitter.

Multi connector on hydraulic hoses available as an option, for mounting on the S30 side arms (side arm must also be equipped with multi connector).

Option: A443003 Multi connector (3 connectors) + holder

- ✓ Drive unit which mounts on S30 side arms
- ✓ Possible to mount in horizontal or vertical position
- ✓ Equipped with high speed hydraulic motor, intended for rotating different types of brushes
- ✓ Same 57 mm square shaft for attachments as on the A37190 Multi function drive unit

Torque	950 Nm @ 200 bar
Rotation speed	95 rpm @ 30 l/min
Weight	30 kg
Product no	A429926

The optional Opticontrol® is required on the loader.

A37317 Carousel broom
 • Same Ø 1000 mm replaceable brush as on A2971 Carousel broom, part no. A32698
 • Weight 67 kg

A433646 Carousel broom, steel
 • Ø 1000 mm brush with steel bristles
 • Weight 67 kg

A431157 XL wire rope brush
 • Brush with 32 pcs heavy duty wire rope bundles
 • Max. diameter 990 mm
 • Height 370 mm
 • Weight 36 kg
