

# XL Silage grab

Electric Machine Compatible

The larger silage grab series is intended for Avant 500, 600, 700 and 800 series loaders, with three different widths to match machines perfectly. The new series can carry up to 30 % more silage without losing visibility on the feeding table. Open grab construction on the top offers better visibility when the grab is open. Strong heavy duty construction with two cylinders. Forged bolt-on tines also on the top grab.

- ✓ **Larger silage grab model, designed for larger cow houses and bigger estates**
- ✓ **The top grab construction is completely open from the middle → Improved visibility when driving while the grab is open.**
- ✓ **Top grab has two cylinders for improved compression power**
